## Cantilever Library Shelving Systems

storage optimized

**MONTEL<sup>®</sup>**  
The Intelligent Use of Space

AETNASTAK®, A SOLID REFERENCE for experts in the industry. Aetnastak® can address your current and future needs at the same time. This cantilever shelving system offers a wide range of accessories and practical features. Sections can be reconfigured, lengthened, shortened, relocated, or joined to existing units easily and without adding any extra parts. Montel offers products that adapt to all types of media (audiovisual material, CD, DVD, etc.).

In addition to Aetnastak’s elegance, strength, rigidity, and safety features, the **welded frame** construction is designed to meet seismic requirements.

Moreover, people appreciate the design details. The four-bend edges eliminate roughness while reinforcing the shelves. The closed uprights protect books and conceal electrical wiring safely and discreetly.

Whether fixed or installed on Montel mobile carriages, Aetnastak offers unlimited possibilities.

## BOOKSTACK ASSEMBLY

### ACTUAL VS NOMINAL DIMENSIONS

Please notice that dimensions in this catalog are either actual or nominal. For library nominal dimensions, add 1" to the actual depth.

- Actual Depth..... Real depth dimension
- Adjustable Shelf..... Shelf with SNAP-ON END BRACKETS
- Adjustable Shelf (Divider Type)..... Slotted shelves with SNAP-ON END BRACKETS to accommodate DIVIDERS
- Adjustable Backstop Support ..... Adjustable backstop used with plain shelves
- Base End Bracket ..... Brackets supporting BASE SHELF
- Base Shelf..... Shelf with BASE END BRACKETS, KICK STRIP and LEVELERS
- Canopy Top ..... Top shelf with CANOPY TOP SUPPORTS (included)
- Canopy Top Support..... Brackets supporting CANOPY TOP
- Divider ..... Adjustable partition
- Double Face..... Unit with shelves on both sides
- Gusset..... For seismic areas and if reinforcement is required
- Kick Strip / Front Base ..... Front base (standard black color)
- Levelers ..... Adjustable leveling feet (included with each unit)
- Nominal Depth..... Depth from the center of the VERTICAL UPRIGHT to the shelf front edge
- Single Face..... Unit with shelves on one side
- Snap-on End Bracket ..... Brackets supporting ADJUSTABLE SHELF
- Welded Frame..... One UPRIGHT FRAME with cross members welded together
- Wire Book Support ..... Adjustable book support underneath shelf

## SAFETY AND RELIABILITY

### • **Features**

#### ▪ **Benefits**

- Frames are welded
  - Provides strength and rigidity
- Base shelves are flush with the top surface of the bottom spreader channel
  - Provides a continuous storage surface
- Shelves will support 50 lbs. per lineal foot or 244 kg per square meter
  - Meets and exceeds Library Technology Report approved requirements
- Shelf edges have a fourth bend at the front and the back
  - Increases strength and eliminates sharp edges
  - Reduces risk of injuries

Fourth bend

Enclosed tube

- Shelf brackets have a radial edge
  - Protects books from being damaged when reshelving
- Connected frames form an enclosed tube
  - Prevents books from being inserted within the tube and being damaged
  - Allows electrical wire to be concealed within the post when needed
- Meets and exceeds the Uniform Building Code (UBC) requirements for seismic zones
  - Ensures user's safety in case of earthquakes

# MONTEL AETNASTAK ADVANTAGES

## FLEXIBILITY

### • *Features*

#### ▪ *Benefits*

- Stacks can be modified from double faced to single faced or vice-versa by removing or adding shelves on one side of the stack. Shelves are easily adjustable without using any tools
  - Allows total flexibility for future expansion or reorganisation
- Free standing shelving can be removed from a range and used elsewhere without adding parts
  - The system can be easily relocated
- Adjustable threaded levelers
  - Ensures stability on an uneven floor
- Kick strips adjust vertically and are recessed under the bottom shelf to provide toe space
  - Provides toe space and clean appearance

## AESTHETICS

- Solely a powder coat finish. Different standard colors available (see color chart). Custom color match for an additional charge
  - Design integration
- End panels are supplied in textured steel unless otherwise specified. Textured steel end panels have a clean leather like appearance to give a stylish finish to your steel shelving. Also available in wood veneer, plastic laminate melamine and standard steel
  - Provides a pleasing look
